Why Emporium?

Fun! With dozens of classic games to play and a hand-crafted bar menu, we can guarantee your group will have a blast. Skip the awkward small talk of a seated dinner or bland hotel ballrooms. We provide the perfect setting to let loose and have a good time with your friends and coworkers.

Cool! Our SF and Oakland locations are both centrally located in the coolest neighborhoods. Amazing murals from local artists adorn our walls and we play the right music. Great vibes, great pictures.

Easy! With two convenient locations to fit your budget, party size, and venue needs for group sizes 9-900 - reserve a table or the whole venue! BYOF(ood) - delivery, catering, whatever - so you can spend your money exactly how you want.

Free Awesome Parties! Groups under 40 in SF & 25 in Oakland are free to book with no strings attached! We'll reserve you a table and you can just have your guests do a cash bar & BYOF. Easy. PEASY.

Emporium is not a cookie cutter concept, so every location is unique. In the Bay Area, **Emporium SF** offers a huge wide-open space, while **Emporium Oakland** offers a more intimate vibe.

A Few Companies Who Have Recently Hosted Parties with us:

Teambuilding - Naturally!

Tired of cheesy "office games" to try to force your team to talk... How about an Accounting vs Sales Skee-ball battle royale instead?! We provide an atmosphere that encourages teams to bond over their favorite multi-player games, drinks, and music.

Reservation Options

1 – Free Table Reservations: The easiest thing to do for most groups under 40 in SF and 25 in Oakland is to book a couple tables free of charge and have each person buy their own drinks. We pick your table size and location for this option but we will do our best to accommodate requests. It will most likely NOT be enough seats for your guests to all sit at once, but most people don't do much sitting at Emporium!

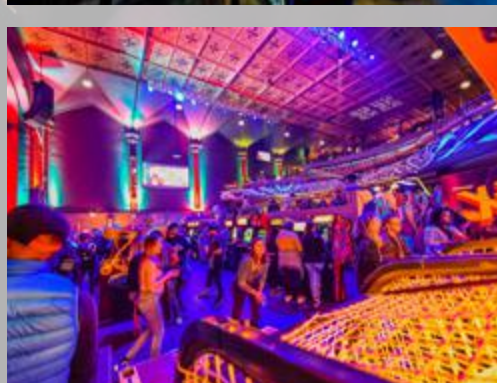

2 – Section Rentals: We have semi-private sections of various sizes available. We will find the best space that fits your group. We can also reserve specific table locations and sizes for a rental fee.

3 – Full Buyouts: Recommended for company parties/meetings, weddings, and similar events. Want to throw something truly special? We can accommodate groups with up to 900 guests in SF and 200 in Oakland! We're happy to work with you during both standard and non-standard operating hours. Our best pricing is Sunday – Wednesday.

Token Packages

Order ahead and we'll have them ready so you can just show up and hit the ground running! If you don't know your headcount ahead of time, no problem. Just grab your tokens the night of!

- Discounted token deals are available for groups at 25% off when at least \$40 in tokens are purchased (\$30 in cost to group).
- \$20/person in SF and \$10/person in Oakland for unlimited tokens during your event (unlimited tokens per head only available for pre-booked groups, all group members must participate in unlimited token deals).

Drink Packages

CASH BAR

Each of your guests simply pays regular price for their own drinks. Don't forget to tip! Easy!

GROUP TAB

One person opens a tab for the entire group. Group tabs can have specific limitations such as max tab limit, max per drink price, type of drink (ex. beer and wine only), etc.

DRINK TICKETS

A set number of drink tickets can be purchased by a single member of the group and distributed to members of your group. The value of the drink tickets can be set as well as the type of drinks allowed.

OPEN BAR

The standard open bar deal runs 3 hours, but more time may be purchased at a reduced rate. 3 hours is the minimum for open bar. Certain rules and restrictions apply for open bar and drink tickets.
